Industry's effective instru-  
ment to promote two-way  
trade between The Nether-  
lands and the United States.

... to foster trade between our two countries; to disseminate accurate and reliable information about trade; to settle differences and, generally, to promote friendly business relations between the United States and The Netherlands.

This objective, embodied in the charter executed in 1920, is the immediate precept for The Netherlands Chamber of Commerce in New York, its branch office in The Hague, The Netherlands, and its affiliate in San Francisco, California.

Long-established, successful promoters of two-way Netherlands-American trade, operating on a non-profit membership basis, the Chambers are supported by boards of Directors on which prominent American and Netherlands business organizations are represented at the highest management levels.

Extensive bilingual staffs, extensive reference libraries, thorough experience in commerce, economics, finance and public relations, sound contacts with trade associations, etc., and the irrefutable integrity necessary to enable the Chambers to function effectively are the sum and substance of the Chambers' consistent success in practical trade promotion.

## “Member Services”

Among the principal services rendered by The Netherlands Chamber of Commerce in the United States to its members are:

- **SUPPLYING** carefully screened names and addresses of reputable importers, exporters, manufacturers, agents, wholesalers, brokers, distributors, representatives.
- **ASSISTING** in establishing appropriate and fruitful contacts in The Netherlands and in the United States.
- **KEEPING** members up-to-date regarding trade regulations, customs requirements, tariff furthest import duties, and all information pertaining to trade between our two countries.
- **ARRANGING** regular luncheon meetings, where prominent guest speakers, both American and Dutch, examine issues of acute relevance to businessmen.
- **CONDUCTING** and reporting on market research surveys.
- **ADVISING** exporters on the marketability of their products.
- **SUPPLYING** display material for store promotions and exhibits.
- **ADVISING** on packaging, labeling and covering.
- **RECORDING** and supplying credit information.
- **ARRANGING** arbitration when differences relative to trade arise.
- **MAINTAINING** card register of Dutch suppliers and their U.S. representatives.
- **ARRANGING** appointments, business itineraries for visiting business executives.
- **SUPPLYING** letters of introduction.
- **OFFERING** bilingual, secretarial and translation services to visitors.

A comprehensive chronicle of the progress—present and potential—of the two-way trade between the two countries is “Netherlands-American Trade,” published monthly (with a combined July/August issue)—“must reading” for all executives whose business it is to keep pace with the flow of U. S.-Dutch trade.

Each issue contains indispensable features, including:

- Information about The Netherlands.
- Listing of new products available for export.
- Carefully screened trade opportunities permitting U. S. and Dutch commercial and industrial interests to seek business partners across the Atlantic.

“Netherlands-American Trade” has also been found to be an effective advertising medium for commodities and services. (Kare cards available upon request.) Monthly circulation ranges from 9,000 to 25,000 copies in the U. S. and in the Netherlands. Distribution is geared to the contents of each issue, to insure that advertising matter and editorial content reach those to whom it is of professional interest.

“Netherlands-American Trade” is the only Netherlands-oriented publication published in the United States, and is free to members. Annual subscription price for non-members: \$5.00.
